

# Drum Speak:

## A Night of Healing Rhythms

*Where Spirit Moves Through Sound*

**Sunday 22nd June 2025 | 7:00 PM – 9:00 PM, at Lilydale & District Spiritualist Church**

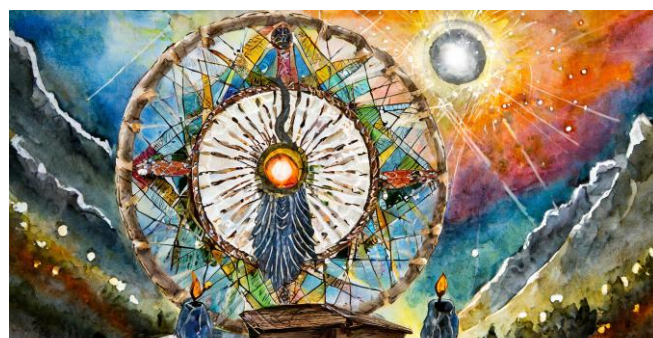

Join us for an unforgettable evening of sacred rhythm, deep connection, and inner healing through the ancient language of the drum.

In this powerful **Drumming & Healing Circle**, you are invited to enter a space of spiritual depth where the heartbeat of the drum aligns with the heartbeat of the Earth—and of your own soul.

Through guided meditation, sacred songs, energy work, and the collective vibration of group drumming, we will awaken intuition, release what no longer serves, and call in healing for self and community.

### ✨ What to Expect:

- Sacred opening prayer
- Sound healing with soft drumming, bowls, and rattles
- Group meditations & spiritual journeys
- Songs honouring the Sacred Elements
- Deep sharing and heart connection
- A gentle yet transformative healing experience
