Subject: *Community Support Donation from the Pakenham Spiritualist Centre*

Dear Team,

On behalf of the **Pakenham Spiritualist Centre (PSC)**, we are pleased to advise that our Committee has approved a community support donation of **\$3,000**, to be provided in the form of 100 Coles Grocery Gift Cards valued at \$30 each.

This donation reflects not only the generosity of our congregation, but also the deep respect we hold for the work carried out by the Andrews Centre and Endeavour Ministries. Through discussions with our neighbours (Rob and Ros) who have longstanding connections with your organisation, we have gained a detailed understanding of the services you provide—supporting individuals and families in crisis, offering counselling, supplying essential items, and providing compassionate guidance during times of hardship. Their firsthand accounts affirmed the positive and practical impact you have within the local community and reinforced why directing our support to your organisation was both appropriate and meaningful.

It is our intention that these grocery cards be **distributed to individuals or families you know to be in genuine need**, based on your direct engagement and on-the-ground awareness of their circumstances. We trust your discernment and experience in ensuring that assistance reaches those who will benefit most.

We express our sincere gratitude for the essential and heartfelt work you continue to do. We hope this contribution provides tangible support to those you assist and strengthens the ongoing spirit of care that underpins your organisation.

With warm regards,

Reverend Pananda Kohlman
